

OUR FUNDAMENTALS

PNV is the only NGO in Vietnam that provides a 3-year vocational training program. In collaboration with Da Nang Vocational College (under the Ministry of Labour, War Invalids and Social Affairs), PNV's curriculum offers not only an innovative but also a comprehensive view of students' development in the age of industry 4.0, including technical skill set, language skills and transformational skills.

After 3 years of training, students receive a Diploma from Danang Vocation College (DanaVTC) and an International Certificate from Passerelles Numériques.
